### Unit Introduction: Infectious Diseases and Global Public Health

Rationale and Introduction to Lessons  
Unit Goals  
Connection to Curriculum Standards  
Materials  
Equipment  
Time, Suggested Sequence of Activities  
Subjects, Suggested Grade Levels  
Related SPICE Units  
SPICE Resources Online

### Lesson One: Setting the Context

Handout 1: *In the News*  
Handout 2: *Living Together on Planet Earth*  
PowerPoint presentation (on CD-ROM included with unit)

### Lesson Two: Biology of Infectious Diseases

Part 1. What are the Causes of Infectious Diseases and How Does the Human Body Respond?  
Handout 1: *Causes of Infectious Diseases Reading*  
Handout 2: *Causes of Infectious Diseases Worksheet*  
Handout 3: *The Human Body's Response to Infectious Diseases Reading*  
Handout 4: *The Human Body's Response to Infectious Diseases Worksheet*  
Handout 5: *Think Like a Pathogen*  
Answer Key 1: *Causes of Infectious Diseases Worksheet*  
Answer Key 2: *The Human Body's Response to Infectious Diseases*  
Answer Key 3: *Think Like a Pathogen*

Part 2. Why Do We Get Vaccinated?  
Handout 1: *Why Do We Get Vaccinated? Reading*  
Handout 2: *How Do Vaccines Work? Worksheet*  
Answer Key: *How Do Vaccines Work?*

Part 3. How Do We Treat Infections?  
Handout 1: *Antimicrobials Reading*  
Handout 2: *Antimicrobials Worksheet*  
Answer Key: *Antimicrobials*  
Teacher Information: *Jeopardy Board*

### Lesson Three: Epidemics and Global Infectious Diseases

Part 1. What is an Epidemic?  
Handout 1: *What is an Epidemic? Reading*  
Handout 2: *What is an Epidemic? Worksheet*  
Answer Key: *What is an Epidemic?*

- Part 2. Modes of Disease Transmission  
Handout 1: *Modes of Transmission Reading*  
Handout 2: *Modes of Transmission Worksheet*  
Handout 3: *Transmission by Direct Contact (HIV vs. Cold) Worksheet*  
Handout 4: *Research Guidelines*  
Handout 5: *Identifying Modes of Transmission*  
Answer Key 1: *Modes of Transmission*  
Answer Key 2: *Transmission by Direct Contact (HIV vs. Cold)*  
Answer Key 3: *Identifying Modes of Transmission*
- Part 3. What Do We Do that Increases the Opportunity for Disease?  
Handout 1: *Increasing the Opportunity for Disease Reading*  
Handout 2: *Increasing the Opportunity for Disease Worksheet*  
Answer Key: *Increasing the Opportunity for Disease*

#### **Lesson Four: The Public Health Response to Infectious Disease**

- Part 1. What is Public Health?  
Handout: *What is Public Health?*
- Part 2. How Do We Study the Health of a Population?  
Handout 1: *Health Indicators and Disparities Reading*  
Handout 2: *Health Indicators and Disparities Worksheet*  
Handout 3: *Understanding Health Disparities Worksheet*  
Handout 4: *Epidemiology*  
Handout 5: *Correlation versus Causation Worksheet*  
Activity Handout #2a: Food cards 1, 2, 3, 4, 5  
Handout 6: *Measuring the Burden of Disease Reading*  
Handout 7: *Measuring the Burden of Disease Worksheet*  
Transparency: *Determinants of Health*  
Activity Sheet 1: *Food Cards*  
Activity Sheet 2: *Origin of Listed Ingredients*  
Answer Key 1: *Health Indicators and Disparities*  
Answer Key 2: *Understanding Health Disparities*  
Answer Key 3: *Correlation versus Causation*  
Answer Key 4: *Measuring the Burden of Disease*
- Part 3. Fighting Epidemics at a Population Level  
Handout 1: *Fighting the Spread of Infection Reading*  
Handout 2: *Fighting the Spread of Infection Worksheet*  
Handout 3: *Breaking the Chain of Infection Reading*  
Handout 4: *Breaking the Chain of Infection Worksheet*  
Handout 5: *Public Health Interventions*  
Transparency: *Herd Immunity Activity*  
Answer Key 1: *Fighting the Spread of Infection*  
Answer Key 2: *Breaking the Chain of Infection*  
Answer Key 3: *Public Health Interventions*

#### **Lesson Five: Real World Applications**

- Part 1. Putting It All Together

Transparency: *Infectious Disease Chart*

Teacher Information: *Infectious Disease Chart, Sample Answer Key*

Part 2. A Call to Action

Project One Handout: *Instructions for Creating a Public Service Announcement*

Project Two Handout: *Instructions for Promoting Healthy Habits*

Project Three Handout: *Instructions for Writing a Letter to Your Congressman*

Project Four Handout: *Instructions for Writing a Mock Grant Proposal*

Project Five Handout: *Instructions for Writing a Personal Vision Statement for Global Health*
