Curriculum Vitae
BARBARA ANN KOENIG

Address

Office:
701A Welch Road, Suite 1105
Palo Alto, CA 94304
(650) 725-6103
Fax (650) 725-6131
EMAIL: bkoenig@stanford.edu

Education

B.S. in Nursing (*with distinction*), University of Minnesota, Minneapolis, 1974.

B.A. in History (*magna cum laude*), University of Minnesota, Minneapolis, 1976.

Ph.D. in Medical Anthropology, University of California, San Francisco and Berkeley, 1988. Dissertation Title: "The Technological Imperative in Medical Practice: An Anthropological Study of Therapeutic Plasma Exchange."

Fellows Seminar in Biomedical Ethics (with Albert R. Jonsen), University of California, San Francisco, 1978-80.

Professional Employment

- 1974-75 **Staff Nurse in Pediatrics**, University of Minnesota Hospitals, Minneapolis.
- 1975-76 **Staff Nurse in Pediatrics**, University of California Hospitals, San Francisco.
- 1981-85 **Research Associate**, Institute for Health Policy Studies/Division of Medical Ethics, Department of Medicine, University of California, San Francisco.
- 1986-88 **Adjunct Lecturer**, Division of Medical Ethics, Department of Medicine, University of California, San Francisco.
- 1988-89 **Training Coordinator**, AIDS Professional Education Project, Department of Psychiatry, University of California, San Francisco.
- 1988-93 **Assistant Adjunct Professor**, Medical Anthropology Program/Division of Medical Anthropology, Department of Epidemiology and Biostatistics, University of California, San Francisco.
- 1989-91 **Coordinator for Western Programs in Research and Education**, The Hastings Center, Briarcliff Manor, NY.
- 1993-99 **Senior Research Scholar**, Center for Biomedical Ethics, School of Medicine, Stanford University, Stanford, CA.

Barbara A. Koenig, Ph.D.

- 1993-2002 **Executive Director**, Center for Biomedical Ethics, School of Medicine, Stanford University, Stanford, CA.
- 1995-2002 **Co-Director**, Program in Genomics, Ethics, and Society, Stanford University, Stanford, CA.
- 1999-2000 **Associate Professor (Acting)**, Department of Medicine, Stanford University, Stanford, CA.
- 2000-2003 **Associate Professor**, Department of Medicine, Stanford University, Stanford, CA.
- 2003- **Associate Professor**, Department of Neurology & Neurological Sciences, Stanford University, Stanford, CA.

Principal Fields of Interest

- Anthropology of Health and Illness
- Biomedical Ethics
- Social and Cultural Analysis of Science, Technology and Biomedicine

Honors

- 1995 Elected Fellow, The Hastings Center.
- 1995 Elected Fellow, The Society for Applied Anthropology.
- 1998 Individual Residency, Rockefeller Foundation Bellagio Study Center.
"Culture and Biomedical Ethics: Examining the Practices of Managed Death."
- 1999 Elizabeth Sterling Soule Lectureship, University of Washington, May 27.
- 1999-01 Soros Faculty Scholar, Open Society Institute, Project on Death in America.
- 2001 Cowan Lecturer, University of Utah, Salt Lake City, UT, November 8.
- 2002 The Florence Schorske Wald Lecturer, University of Minnesota, Minneapolis, April 18.
- 2002-03 Fellow, Stanford Humanities Center.

Grant Awards and Funded Projects

- 1988-92 **Learning to Care: Internal Medicine Residents' Attitudes toward AIDS.** State of California AIDS Research Program, Research Grant Award R88-SF-158, approximately \$180,000. (Co-Principal Investigator with M. Cooke, M.D. and Project Director)
- 1989 **The Ethics and Economics of Death.** California Council for the Humanities, Conference Grant Award, G8907-HCI-025, \$12,033. (Project Director)
- 1989-90 **Internal Medicine Residents' Attitudes toward AIDS** (supplemental funding). AIDS Clinical Research Center, University of California, San Francisco, \$12,000. (Principal Investigator)

Barbara A. Koenig, Ph.D.

- 1992-93 **Cultural Pluralism and Ethical Decision-Making in AIDS Care: A Pilot Study of the Effect of Race and Ethnicity on Clinical Ethics Decisions.** AIDS Clinical Research Center, University of California, San Francisco, \$13,500. (Principal Investigator)
- 1992-93 **"Biotechnology in Society" Lecture Series.** (Co-Director with Adele Clarke, Ph.D.)
Awards from:
- University of California Biotechnology Research and Education Program, \$10,000.
 - GTE Foundation Lectureships, \$5,000.
 - Genentech, Inc., \$5,000.
- 1992-94 **Impact of Diversity on Ethical Decision-Making in AIDS Care.** American Foundation for AIDS Research, Research Grant 1772, \$49,379. (Principal Investigator)
- 1992-95 **Cultural Pluralism and Ethical Decision-Making.** National Institutes of Health/NINR, R01 NR 029060, \$447,547. (with Anne J. Davis, Ph.D.; Project Director and Co-Principal Investigator through 6/94, then Principal Investigator; Score 105, Percentile 0.9%)
- 1993-95 **Cultural Diversity and Bioethics in North America: A Review and Critique of Current Issues.** Greenwall Foundation Presidential Grant Award, \$33,064. (Principal Investigator)
- 1994-95 **Cultural Diversity and Ethical Decision-Making in AIDS Care for Women: A Pilot Study of the Effect of Race and Ethnicity on Clinical Ethics Decisions.** AIDS Clinical Research Center, University of California, San Francisco, \$12,688. (Principal Investigator)
- 1994-96 **Stanford Center for Biomedical Ethics "Core Support".** The Greenwall Foundation, \$200,000. (Project Director)
- 1995-98 **Dying in an African-American Community: An Ethnographic Study of Death Across the Life Cycle.** Open Society Institute, Project on Death in America, \$149,987. (Principal Investigator)
- 1995-98 **Cultural Diversity and Ethical Decisions in AIDS Care for Women.** State of California AIDS Research Program, Research Grant Award, R95-ST-188, \$100,005. (Principal Investigator)
- 1995-98 **Stanford Program in Genomics, Ethics and Society.** Initial Funding from the SmithKline Beecham Corporation, \$950,000 and the Beckman Foundation, \$70,000. (Co-Director with Thomas Raffin, M.D., Henry Greely J.D.)
- 1996-97 **Ethical Issues in Health Promotion and Disease Prevention.** California Wellness Foundation, in collaboration with The Hastings Center, \$33,949. (Stanford Principal Investigator)
- 1996-97 **Culture, End-of-Life Care, and Bioethics: What Differences Make A Difference?** Conference Grant, Robert Wood Johnson Foundation, \$26,365. (Principal Investigator)
- 1997-98 **Social/Ethical Impact of Presymptomatic Testing for BRCA1/2.**
- Kaiser Foundation Research Institute \$33,970 (Co-Principal Investigator with Kay Johnston, M.D.)
 - Walter & Elise Haas Foundation \$20,000 (Principal Investigator)
- 1997-99 **Presymptomatic Genetic Testing for Breast Cancer: A Pilot Study of Social and Ethical Issues Confronting High-Risk Families.** National Cancer Institute, CA-95-003, \$17,400. (Principal Investigator)

Barbara A. Koenig, Ph.D.

- 1997-02 **Miriam and Peter Haas Fund** for Stanford University Biomedical Ethics Center Research, \$500,000. (Co-Principal Investigator)
- 1998-99 **Speaking About Death: Culture, Language, and Communication in End-of-Life Care.** Robert Wood Johnson Foundation, "Last Acts Campaign," \$43,362 (Principal Investigator)
- 1999-00 **Stanford Center for Biomedical Ethics Filmmaker-in-Residence Program.** The Greenwall Foundation, \$100,000. (Principal Investigator)
- 1999-00 **Direct-to-Consumer Advertising of Tamoxifen: A Pilot Study.** The Greenwall Foundation (Presidential Award), \$25,000. (Principal Investigator)
- 1999-01 **Dilemmas in Commercializing Human Genome and Biotechnology Products: Developing a Case-based Business Ethics Curriculum for Industry.** Office of Biological and Environmental Research, Department of Energy, \$140,000. (Principal Investigator)
- 1999-02 **The Genetic and Environmental Influences on Adolescent Tobacco Use: PGES Consultation to SRI International.** State of California, TRDRP, 1PT2002, \$15,081. (Principal Investigator)
- 2000-02 **A Case-based Ethics Curriculum for the Biotech Industry.** NIH, R25 HG02082-01, \$144,718. (Principal Investigator)
- 2000-05 **Promoting Effective Communications and Decision Making for Diverse Populations.** NIH/AHRQ, 1PO1 HS10856, \$234,527. (Stanford Site Principal Investigator, E. Washington, UCSF, Principal Investigator)
- 2000-03 **The Ethics of Identifying Race in the New Genetics.** NIH/NRSA, 5F32 HG00221-02, \$127,899. (Research Mentor)
- 2001-04 **Ethical Challenges in Neuroimaging,** Greenwall Foundation, \$150,000. (Co-Investigator).
- 2001-02 **Neuroethics: Mapping the Field,** Dana Foundation, Conference Grant Award, \$105,000. (Principal Investigator).
- 2002-03 **Neuroethics: Mapping the Field,** NIH (NINDS, NIMH, NIDA), Conference Grant Award, R13 NS044670, \$40,000. (Principal Investigator).
- 2002-05 **Education in Genetics Ethics (EDGE),** NIH, \$124,179. (Stanford Site Principal Investigator, M. Rothstein, University of Louisville, Principal Investigator).
- 2002-05 **Genetics of Nicotine Addiction-Examining Ethics and Policy.** NIH/NIDA, 1R01DA14577, \$750,000. (Principal Investigator; Score 148, Percentile 6.5%).
- 2002-03 **Observing Death, Examining Bioethics.** (Stanford Humanities Center Fellowship Project), Greenwall Foundation Presidential Award, \$25,000. (Principal Investigator).
- 2003-2005 **Ethical Dimensions of Neuroscience Research.** Stanford Bio-X Interdisciplinary Initiatives, \$146,822. (Co-Principal Investigator).
- 2003-04 **Race and Ethnicity in the Context of Human Genetic Variation: Examining Social**

Barbara A. Koenig, Ph.D.

and Scientific Consequences. Affymetrix, Inc., \$20,000.

2003-05 **Mellon Foundation Graduate Research Seminar** Award. Stanford University, \$10,000. each year (with \$10,000 each year cofunding from Center for the Comparative Study of Race and Ethnicity).

2004-09 **Center for Integration of Ethics and Genetic Research.** NIH/NHGRI (DOE co-funding), 1P50 G003389-01, \$402,067 direct costs year 1. (Co-Investigator).

Fellowships and Student Awards

1977-78 National Institute of Health Training Grant in Medical Anthropology, University of California, Berkeley, Predoctoral Fellowship (GM1224).

1978-81 National Research Service Award, U.S. Public Health Service, Individual Predoctoral Fellowship (1F31NU05093).

1980 Wenner-Gren Foundation Research Grant for Anthropological Research, for doctoral dissertation (4066).

1981 Dissertation Research Funds Award, Graduate Division, University of California, San Francisco.

Memberships in Professional Organizations

- American Anthropological Association
- American Society for Bioethics and Humanities
- Hastings Center
- Society for Applied Anthropology
- Society for Medical Anthropology
- Society for the Social Study of Science

Professional Licensure

Registered Nurse, State of California, RN253113 ("inactive" status as of 7/1/04)

Major Professional Activities

National Offices, Committees, etc.

1991-93 **Appointed Member**, American Anthropological Association Task Force on AIDS.

1991-93 **Founding Co-Chair**, Bioethics and Anthropology Interest Group, Society for Medical Anthropology.

1996-98 Elected to **Executive Board**, American Association of Bioethics.

1996-99 Appointed to **Advisory Committee on Research on Women's Health**, National Institutes of Health.

1997-00 Elected to **Executive Board** (Secretary/Treasurer), Society for Medical Anthropology,

Barbara A. Koenig, Ph.D.

American Anthropological Association.

- 1999-02 **Appointed Member**, Secretary's Advisory Committee on Genetic Testing, U.S. Department of Health and Human Services.
- 2000-02 **Co-Chair**, Secretary's Advisory Committee on Genetic Testing Working Groups on Informed Consent/IRB and Non-Medical Genetic Testing.

Research/Policy/Consultation

- 1989-90 **Member, Hastings Center Multi-Disciplinary Project Group**, "Ethical Issues in the Nursing Home."
- 1991 Invited Participant, **The Role of Anthropology in the AIDS Epidemic in the United States**. Centers for Disease Control, Atlanta, GA, Oct. 16-17, 1991.
- 1993 **Dartmouth Invitational Conference**, "The Future of Advance Directives Research," funded by AHCP, the Greenwall Foundation and the Walter and Elise Haas Fund (Joan Teno and Joanne Lynn, Co-P.I.s)
- 1993-95 **Member, Hastings Center Multi-Disciplinary Project Group**, "Technology Assessment: Uses, Context and Interpretation," funded by AHCP (Daniel Callahan, P.I.)
- 1993-95 **Member, "Humanizing Bioethics" Project Group**, an interdisciplinary project funded by the Humanities and Social Science Research Council of Canada (Barry Hoffmaster, P.I.)
- 1994-95 **Consultant**, Qualitative Data Analysis for SUPPORT Project, funded by the Robert Wood Johnson Foundation.
- 1995- **National Advisory Committee**, "Program of Research on End-of-Life," Center for Ethics in Health Care, Oregon Health Sciences University.
- 1996-98 **Informed Consent Working Group**, National Cancer Institute Six-Site Cooperative Familial Breast Cancer Registry (Northern California Cancer Center/Stanford, University of Utah, Memorial Sloan Kettering, Fox Chase Cancer Center, and Centers in Ontario, Canada and Australia). Committee chaired by Mary Daly.
- 1996 **External Review Committee**, Program in Medical Ethics, Department of Social Medicine, Harvard Medical School.
- 1995-96 **Consultant** to Educational Film, "Grave Words: Tools for Discussing End of Life Choices." (A video to educate medical students and house officers.) Maren Monsen, M.D., Director.
- 1995-98 **Consultant**, "Family Decision Making for Incapacitated Patients" project, Oregon Health Sciences University, (Virginia Tilden, P.I.), funded by the NINR/NIH R01 NR03526.
- 1997-98 **Consultant**, "Death and Dying in America," KALW Radio Project, JoAnn Mar, funded by California Council for the Humanities.
- 1997-98 **Consultant**, "Insights into Hastened Death" project, University of Washington, Seattle, funded by The Greenwall Foundation and the Walter & Elise Haas Fund (Robert Pearlman, P.I.).
- 1997-01 **Adjunct Investigator**, Northern California Cancer Center, Union City, CA.
- 1997-99 **Advisory Board**, Education for Physicians in End-of-Life Care, Institute of Ethics,

Barbara A. Koenig, Ph.D.

American Medical Association

- 1997-99 **Convener and Co-Chair**, Diversity Resource Committee for The Robert Wood Johnson Foundation “Last Acts” campaign to improve end-of life care.
- 2000- **Consultant**, Program of Research on Ethics and End-of-Life Care, Oregon Health Services University Center for Ethics in Health Care, Portland, OR.
- 2000- **External Review Committee**, Ph.D. Program in Bioethics, Case Western Reserve University.
- 2000-2002 **Human Subjects Review Committee**, Northern California Cancer Center, Union City, CA.
- 2001 **Consultant**, Committee on Care of Children Who Die and Their Families, Institute of Medicine, National Academy of Sciences, Washington, DC.
- 2001 **Consultant**, development of “Bioethics Faculty Scholars Program,” The Greenwall Foundation, New York, NY.
- 2001 **Workshop Participant**, Integrative Workshop on EOL Research. US Dept. of Health and Human Services, Rockville, MD, October 22-23, 2001.
- 2002 **Workshop Participant**, Research Ethics in End of Life Care. NIH, Rockville, MD, September 12, 13, 2002.

Professional Service

Editorial Boards:

- 1993-98 **Editorial Board**, *Medical Anthropology Quarterly*.
- 1999-02 **Editorial Board**, *American Journal of Bioethics*
- 1996- **Editorial Advisory Board**, *Science, Technology, and Human Values*.
- 2000- **Editorial Board**, *Medical Anthropology*
- 2005- **Consultant Editor**, *Nursing Ethics*

Manuscript Reviewer:

Journal of the American Medical Association; Journal of Health Politics, Policy, and Law; Social Science and Medicine; Medical Anthropological Quarterly; Western Journal of Medicine; Culture, Medicine, and Psychiatry; University of Hawaii Press; Theoretical Medicine and Bioethics; British Medical Journal, Nature Reviews Genetics.

Grant Reviewer:

National Science Foundation; National Institutes of Health; Humanities and Social Science Research Council of Canada; Manitoba Health Research Council; Genome Canada; Rockefeller Foundation; Meyer Memorial Trust; University of California Biotechnology Research and Education Program; The Greenwall Foundation; U.S. Veteran’s Administration.

University Service

Stanford University (1993-present)

Barbara A. Koenig, Ph.D.

- 1993- Member, "Ethics in Society" Program Steering Committee.
- 1993-99 Member, Ethics Committee, Lucille Salter Packard Children's Hospital at Stanford.
- 1993-94 Member, Technology Assessment Steering Council, Stanford University Medical Center.
- 1997- Faculty Associate, Center for the Comparative Study of Race and Ethnicity.
- 2000- Associate, Center for Primary Care and Outcomes Research (PCOR) and the Center for Health Policy (CHP).
- 2001- Member, Review Committee for Health Services Research Interdisciplinary Graduate Program.
- 2001- Member, Medical Advisory Committee and Safety Monitoring Board, General Clinical Research Center.
- 2002- Interviewer, Medical School Candidate Admissions.
- 2002- Member, Executive Committee, The Research Institute of Comparative Studies in Race and Ethnicity (RICSRE).
- 2002- Cultural Advisory Committee, Lucile Packard Children's Hospital and UCSF School of Nursing in support of study "Latino and Chinese Families in Pediatric Palliative Care."
- 2002- Advisory Board, Women's Health@Stanford
- 2002-03 Chair, Search Committee for Associate/Full Professor (Teaching) of Biomedical Ethics, School of Medicine
- 2003- Member, Advisory Committee, Stanford University Center on Ethics (representing School of Medicine Dean)
- 2003-04 Faculty Convenor, Mellon Foundation Graduate Research Workshop (jointly sponsored with the Research Institute for the Comparative Study of Race and Ethnicity): "Racial Taxonomies and DNA: Revisioning Race in the Context of Human Genetic Variation Research."
- 2003- Cancer Clinical Trials Scientific Review Committee, Stanford University
- 2004 Faculty Advisory Board, Institute for Research on Women and Gender, Stanford University

University of California, San Francisco (1988-present)

- 1988-89 School of Nursing Committee on AIDS.
- 1988-90 Member, Ethics Committee, University of California, San Francisco Hospitals.
- 1988-93 Member, Bioengineering Faculty Group, University of California, Berkeley and San Francisco campuses.
- 1992-93 Member, Executive Committee, Medical Anthropology Program.
- 2002-03 Member, Search Committee, Department of OB/GYN, Reproductive Ethics Faculty Search.

Public Service

- 1986-90 Member, Clinical Ethics Committee and Consultant in Ethics, Laguna Honda Hospital, San Francisco, CA. *Helped found ethics committee and developed initial policies for a 1000 bed public long term care facility.*
- 1986-89 Member, Ethics Committee of California Nurses' Association. *Authored policies on use of anencephalic infants as organ donors and the nurse's role in assisted suicide.*
- 1987-95 Member, On Lok Senior Health Services Ethics Committee, San Francisco, CA. Chairperson 1989-90; Vice-Chair 1992-95. *Developed ethics policy manual used nationally in On Lok "PACE" replication sites.*
- 1991 "Controversies in Ethics," lecture for University of California Community Health Talks, Oct. 24.
- 1992 Summer Mentor for San Francisco Public School Student through UCSF Science/Education Partnership Program.
- 1993 "Working with Culturally Diverse Families," presentation at Shriner's Hospital for Crippled Children, San Francisco, CA, March 24.
- 1993 Consultant to "Ethics Task Force," California Association of Homes for the Aged, a statewide, non-profit organization representing more than 400 charitable providers of health care, housing and supportive services to seniors.
- 1993-95 Member, Curriculum Development Committee, "Winding Your Way through DNA," (educational materials for high school students).
- 1993-95 Member, Advisory Committee, San Mateo County, CA, Biotechnology Education Project (for high school teachers).
- 1996 Testimony for the State of California "Senate Select Committee on Genetics and Public Policy," Sacramento, Oct. 24.
- 1997- Ethics Advisory Board, Affymetrix Corporation.
- 1997 Lecture on genetic testing for undergraduate biotechnology course, Santa Clara University, Mar. 11.
- 1997 Member, Advisory Committee, "Leadership Alliances in the Biological Sciences," Stanford Human Genome Education Program (for high school teachers).
- 1998-99 Advisory Board, "The End of Life" Radio Project. Station KALW, San Francisco.
- 1999 Panelist, The Freedom Forum, Pacific Coast Center, "Stories of the Century: A quick look at the past and a longer look at the future." San Francisco, CA, August 10.
- 1999 Consultant, PBS, "The Gene Files," San Francisco, CA.
- 2001 Panelist, "After the Human Genome," John S. Knight Fellowship Program for Professional Journalists, Stanford, CA, July 7.
- 2001 "Genetics and Ethics" lectures to 3 Freshman Biology Classes, Lick-Wilmerding High

Barbara A. Koenig, Ph.D.

School, San Francisco, CA, December 17.

Consultation to print and broadcast media on various issues, ranging from human cloning to genetic testing: *New York Times*, *Los Angeles Times*, *Washington Post*, *Sacramento Bee*, *San Francisco Chronicle*, *San Francisco Examiner*, *Business Week*, *San Jose Mercury News*, *The Scientist*, *The New Republic*, *La Monde*, ABC Nightline, KPIX Channel 5, KQED, KLIV/CNN San Jose, Seattle Public Television, National Public Radio, etc.

Teaching

Formal Scheduled Classes - Stanford University:

"Preparation for Clinical Medicine" (MED 208C) Ethics Modules, Spring 1993, 1995, 1997.

"Literature and Medicine" (MED 214), (with Audrey Shafer, M.D.), Winter 1994, 1995, 1996, 1997.

"Ethnicity and Medicine" (MED 224), Guest Lecturer, Spring 1997.

"Anthropology of Death and Dying" (ANTHRO 145B/245B), Spring 1999, Spring 2000.

"Introduction to Cultural Anthropology" (CASA 1), Guest Lecture entitled "The Role of Medical Anthropology in National Health Policy," Winter 2000; Guest Lecture entitled "Anthropology of Medicine: What Does a Medical Anthropologist Do?" Spring 2001.

"Anthropology and Bioethics" (ANTHRO 174/274), Spring 2001, Winter 2004

"Visions of Mortality" (Introduction to the Humanities I-HUM 46), Fall 2001, Fall 2002, Fall 2003

"Social Class, Race/Ethnicity and Health" (SOC 141A), Guest Lecture entitled "The Meanings of 'Race' in the New Genomics," Winter 2002.

"Responsible Conduct of Research" (MED 255), Course Co-Director, Winter 2002

"Molecular Epidemiology (HRP 228), Guest Lecture entitled "Ethical Issues in Epidemiological Research," Spring 2002.

"Methodology in Ethics: Translating Theory into Practice" (Ethics and Society/Philosophy 77), Spring 2004

"Race & Genetics" (Guest Lecture). Introduction to Comparative Studies in Race and Ethnicity (CSRE 196C), Spring, 2004, April 7.

Formal Scheduled Classes - University of California, San Francisco:

"Social and Ethical Issues in Biomedical Innovation" (BIOENGINEERING 260), Spring 1988, 1989, 1990, 1992.

"Topics in Science, Technology and Society: Group Study" (ANTHRO 248), (with Adele Clarke, Ph.D.), Fall 1992.

"Introduction to Health Politics, Policy, and Policy Analysis" (HMS 247), Guest Lecturer, Fall 1992.

"Introduction to Medical Anthropology" (ANTHRO 205B), Guest Lecturer, Winter 1992.

"Biotechnology in Society" (graduate seminar), (SOC/ANTHRO 249), (with Adele Clarke, Ph.D.), Winter 1993.

Barbara A. Koenig, Ph.D.

"Social Studies of Science and Technology" (SOC/ANTHRO 282), (with Adele Clarke, Ph.D.), Spring 1994.

"End-of-Life-Care Across Practice Settings" (NURSING 249), Guest Lecturer, Spring 2001; Spring 2002.

Core Curriculum for Medical Students: "Cancer Block," Culture Core, Developed lecture and small group exercise: "Culture, 'Race' and Ethnicity in Cancer: What Differences Make a Difference?" Winter 2002.

Medical Center/Clinical Teaching:

Numerous presentations (on use of biomedical technology, health care reform, pain control, cultural diversity, advance directives, physician assisted suicide, etc.) for hospital nursing service departments, chaplaincy, and staff training programs.

Grand Rounds Presentations:

"Physician Responsibility and the Fear of AIDS," UCSF Medical Ethics Grand Rounds, Apr. 16, 1986.

"What is a Terminal Patient? Anthropological and Ethical Perspectives," UCSF Medical Ethics Grand Rounds, Dec. 17, 1987.

"Cultural Pluralism and Ethical Decision-Making: A Comparative Study of Patients Facing Life-Threatening Cancer," Stanford University Medical Center, Apr. 1, 1993.

"The Meaning of 'Race' in the New Genomic Medicine." Pulmonary and Critical Care Medicine Rounds, Stanford University Medical Center, Oct. 5, 2001.

"When is a Patient Dying?" VA Hospital Pulmonary and Critical Care Medicine Grand Rounds, Veterans Affairs Palo Alto Health Care System, Feb. 6, 2002.

"Ethical Dimensions of the Neurosciences: Envisioning a New Field." Neurology and Neurological Sciences Grand Rounds, Stanford University Medical Center, Dec. 13, 2002.

Students and Fellows Supervised

Stanford Undergraduate Student Research/Mentoring (chronological):

Renee Boynton (Princeton, 1995) Research Mentor, Minority Summer Research Exchange Program at Stanford.

Julie Carter (Human Biology Honors Thesis, 1994) "Ethical Decision-Making Processes: An Analysis of Chinese Cancer Patients and Their Families." Paper received the WHR Rivers Prize, Society for Medical Anthropology, "Best Undergraduate Medical Anthropology Paper".

Susan Stefanac (Human Biology Honors Thesis, 1995-96) "The Process of Disclosure of Diagnosis and Prognosis to Pediatric Oncology Patients."

Connie Kim (Human Biology 1995-96) Supervised internship on cultural diversity and medical decision making.

Aarthi Belani (Honors Thesis Advisor, Stanford Ethics in Society Program, 2000-2001) "Patients, Pills, and the Poor: The Health Rights Impact of the WTO Agreement on Trade-related Aspects of Intellectual Property Rights."

Herbrina Sanders (Undergraduate Advisor, Human Biology, 2001-02).

Barbara A. Koenig, Ph.D.

Lynn M. Yee (Undergraduate Advisor, Human Biology, 2001-03).

Charu Gupta (Humanities Center Undergraduate Research Fellow; Undergraduate Honors Thesis Advisor, CASA, 2002-03) "The Etiology and Health Impact of Second-Generation South Asian American Women's Bodily Fragmentation and Multiplicity of Identities."

Catherine Barnard (Ethics in Society Honors Thesis Advisor 2002-04) "Autonomy and Disease Prevention in Community-Based Genetic Screening: A Case Study."

Christopher McCall Bruner (Ethics in Society Honors Thesis Advisor 2003-04) "Just Intellectual Property Arrangements Between Economically Unequal Nations."

Kimberly Taub (Undergraduate Advisor, Human Biology, 2003-05)

Ph.D. Students (alphabetical):

Theresa Drought (UCSF, Nursing) Qualifying Examination Committee, Dissertation Committee, "The Discourse of Advance Care Planning: End-of-life Decision-making in a Multicultural Population of Cancer and AIDS Patients."

David Eaton (UCB/UCSF, Medical Anthropology) Ph.D. Qualifying Examination Committee.

Patricia Flynn (UCSF, Sociology) Advisor, Dissertation Research on "Institutional Ethics Committees."

Linda Hogle (UCB/UCSF, Medical Anthropology) Qualifying Examination Committee, Dissertation Committee, "Procuring Human Biological Materials in Post-War, Post-Unification Germany."

Anne Hughes (UCSF, Nursing) Research Mentor for NIH Individual Pre-doctoral Fellowship Award (NRSA).

Sandra Hyde (UCB/UCSF, Medical Anthropology) Academic Advisor, Ph.D. Qualifying Examination Committee.

Marjory Lazarus (UCB/UCSF, Medical Anthropology) Academic Advisor.

Zhen Lin (Stanford, Bioinformatics) Chair, Dissertation Defense on "Analyzing Disclosure Risk of Public Biomedical Databases." March 15, 2004.

Ingrid Oakley-Girvan (Stanford, Epidemiology) Chair, Dissertation Defense on "Correlates of Prostate Cancer Incidence and Survival." March 28, 2002

Traci Powell (Stanford, Genetics) Dissertation Committee, "The Efficacy of Genetic Testing and Counseling for Familial Breast Cancer Showing Linkage to the BRCA1-2 Genes."

Meryl Rappaport (UCSF, Sociology) Third Area Exam Advisor/Reader, "Sociological Dimensions of High-Tech Home Care."

Medical Student Research:

Eugene Hern (UCSF/UCB Joint Medical Program) Supervised Master's thesis, "Value Conflicts in Cross Cultural Medicine: The Role of the Family in Medical Decisions--Chinese Patients and Western Practitioners."

Lee Sanders (funded by Stanford Medical Scholars Program Award) "Examination of the Ethics Consultation Process."

Pauline Terebuh (funded by Stanford Medical Scholars Program Award) "Patients' Trust in Physicians and End of Life Decisions: A Comparison of African American and White Patients in Long Term Care."

Barbara A. Koenig, Ph.D.

Stephen Weiss (UCSF) Supervised individual Medical Ethics Clerkship.

Post-Doctoral Research Fellows (funded) chronological:

Jan Gates-Williams, Ph.D. (NIH Minority Supplement Award and Stanford School of Medicine Dean's Fellowship) "Cultural Pluralism and Ethical Decision-Making" (1994-95).

Susan Kelly, Ph.D. (National Center for Human Genome Research) "Prenatal Diagnosis Using Fetal Cells from Maternal Blood" (1995-97).

LaVera Crawley, M.D. (Stanford University) "Cultural Diversity and End-of-Life Care Research Programs" (1997-98).

Brad Davidson, Ph.D. (Robert Wood Johnson Foundation Last Acts Project) "Speaking About Death: Culture, Language, and Communication in End-of-Life Care" (1998-99).

Maren Monsen, M.D. (Greenwall Foundation) "Filmmaker-in-Residence" (1999-00).

Sandra Lee, Ph.D. (National Human Genome Research Institute) "The Ethics of Identifying Race in the New Genetics" (2000-03)

In addition, the **Stanford Program in Genomics, Ethics, and Society** funds visiting fellows at the junior and senior level, as well as Stanford faculty fellows. The following individuals have been supported through this multi-disciplinary fellowship program, co-directed by Barbara Koenig:

1995-96 -- Diane Beeson, Ph.D. (Medical Sociology), Monica Casper, Ph.D. (Medical Sociology), Deborah Gordon, Ph.D. (Medical Anthropology).

1996-97 -- Sara Tobin, Ph.D. (Molecular Biology), Jonathan Kaplan, Ph.D. (Philosophy), Howard Klepper, Ph.D., J.D. (Philosophy/Law), Alan Stockdale, Ph.D. (Anthropology).

1997-98 -- Anne Moyer, Ph.D. (Social Psychology); R. Alta Charo, J.D. (Law); Marie Hirtle, J.D. (Law), Rachel Cohen, Ph.D. (Philosophy), Timothy Caulfield, J.D. (Law), Margaret Eaton, J.D. (Law).

1998-99 -- Margaret Eaton, J.D. (Law); Robert Yamashita, Ph.D. (Sociology); Gwen Anderson, RN, Ph.D. (Nursing).

1999-00 -- Patricia Benner, RN, Ph.D. (Nursing); Jeffrey R. Botkin, M.D., MPH (Genetics); Lorraine Caron, Ph.D. (Bioethics); Norbert Paul, Ph.D. (Philosophy of Medicine).

2000-01 -- Lorraine Caron, Ph.D. (Bioethics); Sandra Soo-Jin Lee, Ph.D. (Anthropology).

Major Conferences/Meetings Organized

"AIDS and the Medical Humanities." National Meeting of the Society for Health and Human Values. Funded by California Council for the Humanities, San Francisco, CA, Apr. 1986 (125 registrants; edited conference proceedings with Eric Juengst; first national humanities conference devoted to HIV/AIDS).

"AIDS: New Challenges in Nursing Education." Week-long Summer Institute held at University of California, San Francisco. Funded by HRSA. July, 1988 (50 registrants).

"The Ethics and Economics of Death." Co-sponsored by California Medical Association, California Nurses' Association, The Hastings Center and University of California. Funded by California Council for the Humanities. San Francisco, CA, Nov. 1989 (775 registrants).

"Biotechnology in Society." Ten-week lecture and seminar series. Funded by The GTE Foundation, Genentech, Inc. and University of California Biotechnology Research and Education Program. Winter Quarter, 1993 (average attendance 75).

Barbara A. Koenig, Ph.D.

"Cultural Diversity and End-of-Life Issues." Day-long conference for health care providers, organized with Stanford Geriatric Education Center. Major funding by the Veterans Administration and regional hospices. Stanford University, Mar. 31, 1995 (382 registrants).

"Genetic Testing for Breast Cancer: The Science, The Ethics, The Future." Day-long conference to present the "white paper" findings of the Working Group of the Stanford Program in Genomics, Ethics, and Society, with commentary by leading experts. Held in conjunction with the World Congress of the International Association of Bioethics, with major funding by the SmithKline Beecham Corporation. San Francisco, CA, Nov. 23, 1996 (approximately 350 attendees).

"Culture, End-of-Life Care, and Bioethics: What Differences Make A Difference?" Two day invitational conference. Supported by the Robert Wood Johnson Foundation, the Greenwall Foundation, and the Pettus Crowe Foundation. Held at the Hastings Center, Briarcliff Manor NY, Sep. 16-17, 1996.

"Genetic Testing and Alzheimer Disease: Has the Time Come?" Stanford, CA, October 25, 1997 (approximately 250 attendees).

"Health Promotion and Disease Prevention: Ethical and Social Dilemmas." Funded by the California Wellness Foundation. Los Angeles, CA, Dec. 11, San Francisco, CA, Dec.-12, 1997 (repeated at the Harvard School of Public Health, 1998).

"Individual Genetic Variation: Implications of the Coming Transformation of Medicine." Stanford, CA, October 17, 1998. (approximately 250 attendees).

"Neuroethics: Mapping the Field." San Francisco, CA, May 13-14, 2002. Conference Proceedings at: <http://www.dana.org/books/press/neuroethics/>

"Race and Ethnicity in the Context of Human Genetic Variation: Examining Social and Scientific Consequences." Interdisciplinary Faculty Workshop, Stanford Humanities Center, June 9-10, 2003 (with Joanna Mountain).

Papers Presented at Professional Meetings *(complete listing)*

"Role-Strain in Pediatric Nurses: A Study of the Conflicts in Caring for Dying Children." Kroeber Anthropological Society Annual Meeting, Berkeley, CA, 1977.

"Ethics and Objectivity in Studying Ourselves." Prepared for "To Intervene or Not: Nursing, A Microcosm for Addressing Anthropological Issues of Objectivity in Fieldwork" symposium, organized by Barbara Koenig and Charlotte Weaver. American Anthropological Association Annual Meeting, Los Angeles, CA, 1978.

"The Medical Anthropologist in a University Teaching Hospital: Ethics and Etiquette of Fieldwork." Southwestern Anthropological Association Annual Meeting, San Francisco, CA, 1978.

"The Cultural Meaning of Discovery: An Ethnography of Innovation in Clinical Medicine." American Anthropological Association Annual Meeting, Los Angeles, CA, 1981.

"Anthropology and the Assessment of New Medical Technologies: The Case of Therapeutic Plasma Exchange." Society for Applied Anthropology Annual Meeting, Edinburgh, Scotland, 1981.

"The Technologic Imperative in Medical Practice" (invited paper). American Anthropological Association Annual Meeting, Denver, CO, 1984.

"Physician Response to a New, Lethal, and Presumably Infectious Disease: AIDS and Medical

Barbara A. Koenig, Ph.D.

Residents in San Francisco" (with M. Cooke). Society for Health and Human Values National Meeting, San Francisco, CA, 1986.

"Ethical Issues in the Care of HIV-Infected Patients." American Thoracic Society Scientific Sessions, Cincinnati, OH, 1989.

"Examining Orthodoxies: The Role of Anthropology in Bioethics" (with M. Margaret Clark). American Anthropological Association Annual Meeting, Washington, DC, 1989.

"Balancing Fear and Responsibility: Professional Ethics in AIDS Care" (with M. Cooke, N. Beery, and S. Folkman). American Anthropological Association Annual Meeting, Chicago, IL, 1991.

"Learning to Care: Responses of Physicians in Training to AIDS" (poster presentation with N. Beery and M. Cooke). American Anthropological Association Annual Meeting, San Francisco, CA, 1992.

"Cultural Pluralism and Ethical Decision-Making: Meanings of Autonomy to Patients and Families Facing Life-Threatening Cancer" (with C. Orona and A. Davis). American Anthropological Association Annual Meeting, San Francisco, CA, 1992.

"Internal Medicine Residents and AIDS 'Risk Groups:' The Social Construction of Risk, Benefit, and Blame" (with M. Cooke, N. Beery, and S. Folkman). Southwestern Anthropological Association Annual Meeting, Berkeley, CA, 1992.

"Telling the Truth About Cancer: The Ambiguity of Prognosis for Culturally Diverse Patients" (with D. Barnes, A. Mirande, and A. Davis). Society for Applied Anthropology Annual Meeting, San Antonio, TX, 1993.

"Predicting AIDS and Genetic Illness: The Consequences of and Adaptations to Discrimination" (panel discussant). American Public Health Association Annual Meeting, San Francisco, CA, Oct. 26, 1993.

"Anthropology, Advocacy, and Professional Responsibility" (panel discussant). American Anthropological Association Annual Meeting, Washington, DC, Nov. 1993.

"Cross-Cultural Issues in End-of-Life Decision-Making." Paper presented for "Multiculturalism and Medicine" symposium, organized by Nancy Jecker. American Philosophical Association Pacific Division, Los Angeles, CA, Apr. 1, 1994.

"Approaching Research Questions in Medical Ethics from Multiple Disciplines" (panel discussant). Society of General Internal Medicine, Washington, DC, Apr. 27, 1994.

"Treatment of HIV/AIDS Patients from Diverse Cultural Backgrounds." American Thoracic Society Scientific Sessions, Boston, MA, May 23, 1994.

"Ethical Issues in Health Care Reform: The Challenge of Cultural Diversity" (with Patricia Marshall). American Anthropological Association Annual Meetings, Atlanta, GA, Dec. 1, 1994.

"Bioethics and the Politics of Race and Ethnicity: Respecting (or Constructing) Difference?" (with Patricia Marshall). Paper prepared for "Cultural Diversity and Bioethics" symposium, organized by Karen Heller and Barbara A. Koenig. American Anthropological Association Annual Meeting, Atlanta, GA, Dec. 2, 1994.

"The Human Genome Diversity Project and Anthropology: Promises and Challenges for the Discipline." Special event organized for the program committee; panelists included Margaret Lock, Eric Juengst, Henry Greely, Allan Swedlund and Kenneth Weiss). American Anthropological Association Annual Meeting, Atlanta, GA, Dec. 3, 1994.

“Ethical Decision-Making Dilemmas and End-of-Life Care: Issues Confronting African-Americans” (with Jan Gates-Williams and Lisa Moore). American Anthropological Association Annual Meeting, Washington, DC., Nov. 17, 1995.

“Genetic Testing for Breast and Ovarian Cancer: Anthropological Perspectives on a ‘Noninvasive’ Technology” (with Nancy Press). American Anthropological Association Annual Meeting, Washington, DC, Nov. 15, 1995.

“Graphing Uncertainty: The Presentation and Representation of Individualized Risk for Breast Cancer” (with Nancy Press). American Anthropological Association Annual Meeting, San Francisco, CA, Nov. 21, 1996.

“Genetic Testing and Alzheimer Disease.” Panel, Society for Health and Human Values/American Association of Bioethics Annual Meeting, Baltimore, MD, Nov. 1997.

“The Specter of Cloning a New Human Being from a Single Adult Cell: Views from Across the Discipline of Anthropology.” Invitational Panel (at the request of the program chair). American Anthropological Association Annual Meeting, Washington, DC, Nov. 1997.

“Challenges to “Choice” in Dying: The Limits of Rational Choice Theory in Decisions about Life’s End.” Paper prepared for “Forms of Rationality: Moral and Practical Reasoning in Biomedicine and Beyond,” symposium organized by Patricia Marshall, Cheryl Mattingly, & Barbara Koenig. American Anthropological Association Annual Meeting, Washington, DC, Nov. 1997.

“The Presentation and Representation of Individualized Risk in Genetic Testing for Breast Cancer.” Invitational Panel. American Society for Bioethics and Humanities, Houston, TX, Nov. 1998.

“Deploying “Race,” “Ethnicity,” and “Culture” in the New Molecular Medicine” (with Patricia Marshall). Paper prepared for “Performing Race and Ethnicity in the Crisis of the Medical Moment,” symposium organized by Linda Hunt. American Anthropological Association Annual Meeting, Chicago, IL, Nov. 1999.

“Medical Anthropologists ‘Doing’ Policy: A Report from the Genetic Trenches” (with Nancy Press). Society for Medical Anthropology Spring Meeting, San Francisco, CA, March 23, 2000.

“The Embodied Experience of Genetic Risk: Where Biomedical Knowledge Meets Bodies.” (Paper with Jennifer Fishman, Anne Moyer, and Kathreen Johnston; Organized session with Antoinette Guerra). Society for Medical Anthropology Spring Meeting, San Francisco, CA, March 23, 2000.

“Bioethicists, Biotech Corporations, and Conflicts of Interest.” American Society of Bioethics and Humanities, Salt Lake City, UT, October 29, 2000.

“Can Guidelines Be Created for Limiting Treatments in Older Persons Who Have Seriously Diminished Quality of Life?” (with Theresa Drought). National Institutes of Health, Integrative Conference on End-of-life Research: Focus on Older Populations, Bethesda, MD, October 22, 2001.

Behavioral Genetics & Public Policy (Panel). American Society of Bioethics and Humanities, Montreal, Canada, October 24, 2003

A Critical Anthropology of Human Genetic Variation Research: Examining Scientific Practice; Refining Theories of Difference (session organized with Sandra Lee). American Anthropological Association Annual Meeting, Chicago, IL, November, 2003.

Invited Lectures and Presentations (1988 - Present)

"Ethical Issues in Pediatric AIDS." Third Annual Nursing Ethics Conference, Children's Hospital, Los Angeles, CA, Mar. 4, 1988.

"Moral Problems in Organ Procurement." Lauren Norton Lectureship, Cabrillo College, Aptos, CA, Mar. 18, 1988.

"California's Active Euthanasia Initiative." Network of Aging Providers, Mountain View, CA, Apr. 20, 1988.

"The Role of Ethics Committees in Guiding Treatment Decisions." Special Geriatric Grand Rounds, Laguna Honda Hospital, San Francisco, CA, May 7, 1988.

"The Nurse's Responsibility to Care." Ethics and AIDS Conference, California Nurses' Association, Los Angeles, CA, May 18, 1988 and San Jose, CA, Jun. 3, 1988.

"Ethics and AIDS." Featured Speaker, AIDS/ARC Update, San Francisco, CA, Jul. 16, 1988.

"The Social Meaning of AIDS: Implications for Teaching" (with Virginia Olesen). Lecture at "AIDS: New Challenges in Nursing Education," University of California, San Francisco, Jul. 20, 1988.

"Is New Medical Technology Coercive?" GTE Foundation Lectureship, University of California, Davis, Oct. 26, 1988.

"Why Is It So Hard to Say 'No' to Medical Technology." GTE Foundation Lectureship, City College of San Francisco, Mar. 8, 1989.

"The Technological Imperative." Fourth Annual Nursing Ethics Conference, Children's Hospital, Los Angeles, CA, Mar. 10, 1989.

"Social Science and Bioethics: The Relevance of Ethnographic Studies of Nursing Homes." The Hastings Center, Briarcliff Manor, NY, Nov. 3, 1989.

"Ethics and Aging." Keynote lecture, California Geriatric Education Center Yearly Symposium, San Francisco, CA, Mar. 8, 1990.

"Technology and the Nursing Home Environment." The Hastings Center, Briarcliff Manor, NY, Mar. 15, 1990.

"Choice and Reproductive Technologies: The Role of Ethnographic Research." Lecture, Conference on Bioethics in Eastern Europe, Dubrovnik, Yugoslavia, Sep. 6, 1990.

"Ethics in Health Care Policy." Plenary lecture, 11th Annual National Clinical Nurse Specialists Conference, San Francisco, CA, Feb. 27, 1992.

"Cultural Issues in Talking About Advance Directives." Lecture at "Choices and Conversations: The PSDA's First Year," Pasadena, CA, Jan. 9, 1993.

"The Economics of Health Care: Its Impact on Ethical Practice." Keynote address, San Francisco Bay Area Bioethics Council for Long-Term Care Conference, Fremont, CA, Jan. 20, 1993.

"The Social Context in Biomedical Innovation." Invited Seminar, Institute for the Study of Social Change, University of California, Berkeley, Feb. 26, 1993.

Barbara A. Koenig, Ph.D.

"The Impact of Personal Attitudes Upon Delivery of Care to HIV Infected Individuals." Annenberg Center for The Health Sciences, Rancho Mirage, CA, Apr. 22, 1993

"Ethical Concerns and Implications of Health Care Reform." American College of Dentists Annual Meeting, "Expanding Our Vision: Becoming More Effective in a World of Health Care Reform," San Francisco, CA, Nov. 5, 1993.

"Cultural Diversity and Ethics Committees: What Are The Issues?" Keynote address at the Kaiser Permanente Ethics Symposium, Berkeley, CA, Nov. 6, 1993.

"The Ethical Challenge of Biomedical Innovation." Student Pugwash USA, National Conference, Stanford, CA, Jan. 28, 1994.

"Structure and Function of an Ethics Committee in a Community-Based Agency." American Society on Aging, San Francisco, CA, Mar. 21, 1994.

"Ethical Issues in Health Care Reform." Queen of the Valley Hospital, Napa Valley Medical Center, Napa, CA, Jun. 3, 1994.

"Cultural Diversity in Decision-Making About Care at the End of Life." Medical Grand Rounds, Alta Bates Hospital, Berkeley, CA, Aug. 16, 1994.

"Who is at Risk and What are the Consequences of Knowing?" Panelist on Ethical Issues, Breast Cancer 1994: An Interactive Symposium, University of California, San Francisco, Sep. 25, 1994.

"Ethical Decision-Making at the End of Life: Respecting Cultural Differences in Caring for Cancer Patients." American Society for Radiation Therapy, San Francisco, CA, Oct. 3, 1994.

"Bioengineering Ethics." Ethics in Science Symposium, University of California, San Francisco and Berkeley, Bioengineering Graduate Group, San Francisco, CA, Nov. 12, 1994.

"What Differences Do 'Differences' Make?" Ethics Committees and the Elderly Conference, American Society of Law, Medicine and Ethics, Marina del Rey, CA, Dec. 8, 1994.

"The Place of Ethnicity in the Current Paradigm for Ethical Decision Making at the End-of-Life." Cultural Diversity and End-of-Life-Issues Conference, Stanford, CA, Mar. 31, 1995

"What is the Relevance of Cultural Diversity for Ethical Decision Making?" American Academy of Pediatrics Bioethics Conference, Long Beach, CA, Jun. 17, 1995.

"Genetic Testing: Expectations, Implications and Options." Panelist on Ethical Dilemmas, Beckman Public Policy Symposium, Stanford, CA, Oct. 10, 1995.

"Predictive Genetic Testing for Breast Cancer: Social and Ethical Issues Facing High Risk Families." Center for Biomedical Ethics, University of Minnesota, Minneapolis, MN, Dec. 5, 1995.

"Cultural Considerations in Care for the Dying in a Changing World." Annual Postgraduate Convention, Loma Linda University School of Medicine, Loma Linda, CA, Mar. 4, 1996.

"The International Traffic in Organs: Commentary." Commerce in Organs: Culture, Politics, and Bioethics of the Global Market, University of California, Berkeley, Apr. 26, 1996.

"Ethical Conflicts in Managed Care." Moderator at Stanford Medical Alumni Spring Symposium, Stanford, CA, May 4, 1996.

"The Challenges of Bioethics Research: A Report From the Field." Keynote address at the Third

Barbara A. Koenig, Ph.D.

Annual Ethics Research Symposium, Center for Ethics in Health Care, Oregon Health Sciences University, Portland, OR, May 22, 1996.

“Understanding Cultural Difference in Caring for Patients.” Keynote address for the Wisconsin Ethics Committee Network conference, *Broadening our Perspectives: Providing Health Care in an Ethnically Diverse Community*. Madison, WI, September 27, 1996.

“Ethical, Legal, and Social Considerations of BRCA1-2 Genetic Susceptibility Testing.” American College of Surgeons Annual Meeting, San Francisco, CA Oct. 5, 1996.

“Ethical Dimensions of Testing for Mutations in BRCA1-2.” Northern California Cancer Center, Union City, CA, March 17, 1997.

“Cross-Cultural Issues in End-of-Life Care.” Medical Education for Care Near the End of Life National Consensus Conference. Washington, D.C., May 16, 1997.

“The Diagnosis and Prediction of Marfan Syndrome: Ethical, Legal, and Social Issues.” National Marfan Foundation Annual Meeting, Stanford, CA July 11, 1997.

“Culture and Biomedical Ethics: Examining the Practices of Managed Death.” Anthropology Department Colloquium, Stanford University, October 13, 1997.

“Legal, Social, and Ethical Implications of Widespread Availability of Genetic Testing.” Panel Moderator, Family Caregiver Alliance Anniversary Conference, San Francisco, CA, Oct. 20, 1997.

“The Promise of Molecular Medicine in Preventing Disease: Examining the Burden of Genetic Risk.” Health Promotion and Disease Prevention: Ethical and Social Dilemmas. Los Angeles, CA, Dec. 11, 1997 and San Francisco, CA, Dec. 12, 1997.

“Cloning Humans: Is it Inevitable and Can We Prepare for It?” and **“Cultural Diversity and Decision Making about Care at the End of Life.”** St. Francis Medical Center Annual Bioethics Conference, Honolulu, HI, Feb. 12-13, 1998.

“Observing Death, Examining Bioethics.” Workshop on Ethics, Medicine and Social Science, Department of Social Medicine, Harvard Medical School, March 12, 1998.

“Does ‘Race’ Have Meaning in the New Genetic Medicine?” The Stanford Program in Genomics, Ethics, and Society, Palo Alto, CA, Oct. 17, 1998.

“Genetic Testing for Breast Cancer: Examining the Cultural Geographics of Risk, Hope, and Control.” The Stanford Program in Genomics, Ethics, and Society, Palo Alto, CA, Feb. 2, 1999.

“Genomic Anthropology: Examining the New Molecular Medicine.” Department of Anthropological Sciences at Stanford University, Palo Alto, CA, Feb. 19, 1999.

“Cultural Compromises in Oncology.” Ethics Rounds, Dana-Farber Cancer Institute, Boston, MA, March 22, 1999.

“New Directions in Breast Cancer.” Decision Making Panel, Northern California Cancer Center, San Francisco, CA, March 24, 1999.

“Thinking About ‘Culture’ in Bioethics.” Fellows Seminar, Clinical Center, National Institutes of Health, Bethesda, MD, June 16, 1999.

“Health Care Access & The Health of the Public” and **“Trust and the Doctor/Patient Relationship.”** Bioethics in the Urban Context: A National Symposium, New York Academy of Medicine, New York, NY, Dec. 2-3, 1999.

Barbara A. Koenig, Ph.D.

“How to Think About Cultural Difference in Bioethics.” Keynote Address, Two-Day Conference on Multicultural Considerations in the Practice of Clinical Nursing Ethics, Yale-New Haven Hospital, New Haven, CT, April 27-28, 2000

“Conceptualizing Empirical Research in Bioethics.” Toward Higher Levels of Analysis: Progress and Promise in Research on Social and Cultural Dimensions of Health Conference, National Institutes of Health, Bethesda, MD, June 27, 2000

“Teaching About Culture in the Realm of Biomedicine.” Stanford Faculty Development Program, End of Life Unit with LaVera Crawley, M.D., September 13, 2000

“Identifying ‘RACE’ in Health Disparities Research: Implications of the Genomic Prism.” Racial and Ethnic Disparities in Health Conference, Inaugural Conference for *Yale Journal of Health Policy, Law, and Ethics*, New Haven, CT, February 9-10, 2000.

“Developing a Case-Based Ethics Curriculum for the Biotech Industry.” A Decade of ELSI Research, Bethesda, MD, January 16-18, 2001

“Integrating Genomics Technologies in Healthcare: Practice and Policy Challenges.” Banbury Center, Cold Spring Harbor, NY, February 25-28, 2001.

“Crossing Over Jordan: African Americans and Care at the End of Life.” Speaker, Duke Institute on Care at the End of Life Symposium with LaVera Crawley, M.D., Duke Divinity School, Durham, NC, May 24, 2001.

“Bioethicists and Biotech Companies.” BIO Biotechnology Industry Organization, 2001 International Biotechnology Convention and Exhibition, San Diego, CA, June 24-27, 2001.

“Will ‘Race’ Matter in the New Genomic Medicine?” Department of Medicine Grand Rounds, University of California, Irvine, July 31, 2001.

“Beyond the Beginning: The Future of Genomics.” National Human Genome Research Institute (NHGRI), Airlie House, Warrenton, VA, December 12–14, 2001.

“Human Genetics, Environment, and Communities of Color: Ethical and Social Implications.” West Harlem Environmental Action (WE ACT) national conference, New York, NY, February 4, 2002.

“Will ‘Race’ Matter in the New Genomic Medicine?” Milton S. Hershey Medical Center, Pennsylvania State University, Hershey, PA, Feb. 11, 2002.

“Genomics, Race, and Health Disparities Research.” Ethics Grand Rounds, University of Texas, Southwestern Medical Center, Dallas, March 12, 2002.

“Setting A Research Agenda for Health and the Humanities.” End of Life Care Workgroup Conference, Agency for Healthcare Research and Quality (AHRQ) and the National Endowment for the Humanities (NEH), Potomac, Maryland, March 14-15, 2002.

Biomedical Ethics Symposium, Guest Faculty, Providence Health System Alaska, Alaska Native Medical Center, Anchorage, April 12-13, 2002.

“‘Race’ Matters in Genomic Medicine.” Affymetrix Corporation, Sunnyvale, CA, May 30, 2002.

“Beyond the Beginning: Bioethics, Health Policy, and the Human Genome Project.” Keynote lecture for the conference: Empirical Bioethics in Cultural Contexts: Genetic Confidentiality, Ownership, and Public Participation. Sophia University, Tokyo, Japan, January 30 – 31, 2003.

Barbara A. Koenig, Ph.D.

"Forum on Genes, Genomes, and Society." The Genome of Homo Sapiens (50th Anniversary Celebration of DNA). Cold Spring Harbor Laboratory, NY, May 30, 2003.

"Observing Death, Examining Bioethics: Challenging 'Choice' in End-of-Life Care." Project on Death in America Faculty Scholars Retreat, Lake Tahoe, CA, July 22, 2003.

"The Nature of Professional Responsibility in Neuroscience." Stanford Graduate Neuroscience Science Journal Club, October 21, 2003.

"Revisiting 'Race': Examining Social and Scientific Consequences." Northern California Cancer Center, December 8, 2003.

"'Race,' Genetics, and the Media." Knight Journalism Fellowship Seminar, Stanford University, March 3, 2004.

"Racial Profiling" in Human Genetics Research: Are Social Harms Avoidable? Cleveland Clinic Foundation, Cleveland, OH, March 23, 2004.

"Racial Profiling" in Human Genetics Research: Are Social Harms Avoidable? Mayo Clinic Foundation, Rochester, MN, April 19, 2004.

Genetics & Nicotine Addiction: "Proactive" Neuroethics. Stanford Neuroscience Institute Annual Retreat, Asilomar, CA, May 4, 2004.

Cultural Dimensions of End-of-Life Care. Stanford Neurology Residency Teaching Program, May 5, 2004.

Revisiting "Race" in the Context of Human Genetic Variation Research. Faculty Research Seminar for "Social Lab" Stanford Dept of Psychology, May 10th, 2004.

Genetics in Crime, Race and Behaviour. "The Genetic Age" Symposium, The Royal Institution of Great Britain, London, England, June 2,3, 2004.

"Individualizing Medicine by Race, Culture and Ethnicity: Promise or Peril." Bioethics Grand Rounds, University of California, Los Angeles, CA, June 8, 2004.

"The Genetics of Nicotine Addiction: Ethical and Policy Implications" Center for Genetics and Society. University of California, Los Angeles, June 8, 2004.

"Nicotine Addiction: A 'Disease of the Brain?' A Problem for Neuroethics?" The Plastic Brain Symposium, presented by Nederlandse Organisatie voor Wetenschappelijk Onderzoek, Utrecht, The Netherlands, June 25, 2004.
