- Blogger at Huffington Post (2013 -)

VISITING PERIODS

2012 **CHP-PCOR - Stanford University** – June-August.
2011 **RAND Corporation** – June-August.
2010 **CHP-PCOR - Stanford University** – June-August.
2009 **CHP-PCOR - Stanford University** – June-August.
2008 **CHP-PCOR - Stanford University** – June-August.
2007 **CHP-PCOR - Stanford University** – June-August.
1998 **NBER - Stanford University** – January-March.

RESEARCH INTERESTS

- Health economics.
- Poverty, inequality and income distribution.
- Public finance.
- Consumption and production theory.
- Public policy evaluation.

TEACHING ACTIVITY

PhD Level

2008 - present Applied health Economics, University of Rome “Tor Vergata”.

Master level

2011 - present Health economics for developing countries, Master in Development Economics and International Cooperation (MESCI), University of Rome “Tor Vergata”.

2008 - 2011 Public choice, University of Rome “Tor Vergata”.

2006 - present Social welfare and public choice, Master in Development Economics and International Cooperation (MESCI), University of Rome “Tor Vergata”.

Undergraduate level

2006 - present Macro Economics, University of Rome “Tor Vergata”.

FINANCIAL SUPPORT FOR RESEARCH ACTIVITIES (SELECTED LIST)

- 2014 **Ministry of Health, SIVEAS**, Department of Programming: *Definition of a new capitation formula for financial resource allocation in Italy.*
- 2014 **ABBVIE**: *Construction and implementation of a dynamic micro-simulation model for the health care systems at EU level.*
- 2012 **Ministry of Health, SIVEAS**, Department of Programming: *Hospital performance indicators.*
- 2010 - 2011 **Ministry of Health, SIVEAS**, Department of Programming: *Econometric model for public health expenditure and for the definition of standard costs.*
- 2007 - 2009 **PRIN** - Ministry of Research, Education and University (MIUR). *Welfare, Child cost in collective choice models: cost of rearing, fertility choices and child poverty estimates.* Unit coordinator.
- 2001 - 2006 **Global Healthcare Productivity (GHP) research network** - Co-founder of the network and scientific co-ordinator of the Italian unit.
- 2001 - 2003 **Program ECURITY III, V Framework Program** – Scientific co-ordinator of the Italian unit.
- 2001 - 2003 **Program SOE – Project MICRESA**: *Micro-level analysis of the European Social Agenda: combating poverty and social exclusion through changes in social and fiscal policy* - Scientific co-ordinator of the unit of the University of Rome “Tor Vergata”. Three years project financed by the European Commission.
- 2001 - 2003 **Pharmacia & Upjohn** - *Complementarità e sostituibilità nella spesa sanitaria pubblica e privata in Italia.* Project coordinator.
- 2001 - 2002 **PRIN** - Ministry of Research, Education and University (MIUR). *Welfare, Fiscal policies and public choices.* Unit coordinator.
- 1999 - 2000 **European Science Foundation (ESF) – Exploratory Research Grant** – TECH-Europe Research Network.
- 1998 - 2003 **TECH-Europe - TEchnological Change in Health care global research network** - Co-founder and coordinator of the research group at European level.
- 1998 - 2001 **Program SOE - Project EUROMOD**: *A tax benefit microsimulation model* - Scientific coordinator of the Italian unit. Three years project financed by the European Commission.
- 1997 - 1999 **BIOMED Programme** - Project *Patient charge and decision making behaviours of consumers and physicians.* Coordinator of the Italian unit.
- 1997 – 1998 **CNR – Health strategic project** – *The determinants of the public-private choices in the Italian healthcare sector.*
- 1995 - 1997 **Human Capital and Mobility (HCM) Program** - Project *Cost containment policy in the drug sector in Europe.* Coordinator of the Italian unit and co-founder of the “ENDEP research Network” .

PROFESSIONAL ACTIVITY

- 2007 - 2010 **IQWIG** (National Agency for Economic Evaluation in the Health Sector), Cologne, Germany - Member of the International Panel of Experts for setting national drug evaluation guidelines.
- 2006 - 2010 **Centro Europa Ricerche (CER)**, Rome - Member of the Scientific Committee

- 2006 - 2009 **Italian National Drugs Agency (AIFA)**, Rome – Member of the Strategic Evaluation Committee.
- 2004 - 2006 **Prices Observatory, IPI – Ministry of Productive Activities**, Rome - Economist for the analysis of price trend in Italy.
- 2003 - 2006 **Istituto Superiore Sanità – Drug Observatory (OSMED)**, Rome – Senior advisor and coordinator of the econometric model on public drug expenditure.
- 2003 - 2005 **OSMED**, Senior Economist.
- 2001 - 2003 **Drug Prices Commission CIPE – Ministry of Health**, Rome - Commission Member, appointed by the Treasury Ministry.
- 2001 - 2002 **IRI Management**, Rome – Invited speaker on a series of meetings with managers of the National Institute for Social Security (INPS).
- 2001 **Aspen Institute Italia**, scientific coordinator on behalf of Pharmacia Spa of the meeting on “*Regulation of the health system and drug expenditure*”.
- 2000 **National Council for the Economy and Labor (CNEL)**, Rome – Scientific Coordinator of the Sixth CNEL Report on “*Income distribution and redistribution in Italy and Europe - 2000-2001*”.
- 1999 - 2003 **Confesercenti** (National Association of Retailers and Services Firms), Rome - Economic Advisor to the President Office.
- 1999 - 2001 **Agency for Regional Health Services (ASSR)**, Rome - Senior Economist.
- 1998 **National Council for the Economy and Labor (CNEL)**, Rome - Scientific Coordinator of the Fifth CNEL Report on “*Income distribution and redistribution in Italy and Europe- 1997-1999*”.
- 1998 **World Bank - Country Department: East Europe**, Washington D.C., USA - Economist for a mission in Belarus for an assessment of the policies on social security, health and income redistribution.
- 1997 **WHO European Region** - Member of a task force for development of Health care system in Albania.
- 1997 **Poverty Commission**, Rome - Member of a task force for the update of the Italian equivalence scales.
- 1997 - 2001 **European Commission - DG XII - BIOMED Program**, Brussels - Coordinator of the Italian unit in the European Network “ENDEP” working on “*Patient charges and decision making behaviors of consumers and physicians*”.
- 1996 **World Bank - Country Department: North Africa** - Economist for a poverty study in Algeria.
- 1996 - 1997 **European Commission - DG XII - Human Capital and Mobility Program** - Brussels - Head of the Italian unit in the European network “ENDEP” working on “*Control on Drug Expenditures in Europe*”.
- 1995 **World Bank - Country Department: East Europe** - Economist for a mission in Belarus for an assessment of the policies on social security, health and income redistribution.

COLLABORATIONS WITH PRIVATE ENTERPRISES AND NON-PROFIT FIRMS

Abbott, Abbvie, Amgen, ANIA, Assobiomedica, Astra Zeneca, Bristol Mayer Squibb, Confcommercio, Farmafactoring, Farminindustria, Fondazione Masi, Gerson Lehman Group, Merck, NERA, Pfizer Europe, Pfizer Italy, Pharmacia, Schoering Plough, Teva.

PARTICIPATION TO CONFERENCES AND SEMINARS

- 2013 OECD, Siena, Berlin, Trento, Brunel University, SIE, IEA Beijing.
2012 OECD, Stanford, AIES Annual Conference, SIE Annual Conference.
2011 University of Sassari, Catholic University, Milan.
2010 Health Economic Seminar Boston University, MIT, Harvard University, University of Brescia, University of Venice.
2009 Ministry of Treasury, Bank of Italy, London School of Economics, Stanford University, Imperial College London.
2007 II Italian Congress of Econometrics and Empirical Economics, VIII International Health Economic Association Conference.
2006 XI AIES Conference, XV European Workshop on Health economics and Econometrics.
2005 European Economic Association, IX World Congress of the Econometric Society, CHILD Annual Meeting, NBER Summer Institute.
2004 STAKES Helsinki.
2003 XII European Workshop on Health economics and Econometrics, IV Conference of the Global Health Productivity Network, Stanford (CA), IV International Health Economic Association Conference, San Francisco (USA).
2002 Chinese Health Economics Institute, Beijing (China), V Meeting AIES, Bologna (Italy), XI European Workshop on Health economics and Econometrics, OECD, International Workshop on “*Income distribution and welfare*”, at Bocconi University, Ecuity Project Workshop, International Workshop on “*Consumption behaviour and welfare measurement*”, Verona (Italy), II Conference of the Global Health Productivity Network, at “Rockefeller Foundation” in Bellagio (Italy).
2001 III International Health Economic Association Conference, York (UK).
1999 VIII European Workshop on Health economics and Econometrics, Catania, TECH-MONICA workshop, Rome.
1998 International conference on technological change in health care, Stanford (CA).
1997 SADIBA Conference – Bank of Italy.
