Work experience

- Director of the Social and Economic Justice Unit, the Egyptian Initiative for Personal Rights (EIPR)- Cairo, Egypt- July 2011-Present
 - The unit is a source center that aims at producing knowledge on the status of economic and social rights in Egypt. The unit issues reports, statements, policy papers and articles with the view of using them for advocacy, community-mobilization, strategic litigation, and media-campaigning.
 - Managing a team of six researchers covering health, education, environmental, housing and land rights.
 - Setting the unit strategy, assigning and editing reports, studies, statements and policy papers.
 - Conducting research and writing policy papers on macro economics and political economy from a rights-based perspective.

- Authored several reports and policy papers on state budget, oil and natural gas export contracts, international finances, Egypt's energy policies among others.
- Ph.D. Student at the European University Institute 2006 – 2010
- Economic researcher at the Ministry of International Cooperation – Egypt, Cairo-International Finance section (July 2005-March 2006).
 - Authored reports and statements about international loans and cooperation programs with the World Bank and the African Development Bank.
 - Attended negotiations with a number of international financial institutions.
- Graduate Academic advisor of Model United Nations at the faculty of economics and political Science (2004 - 2005)
